Gaudete

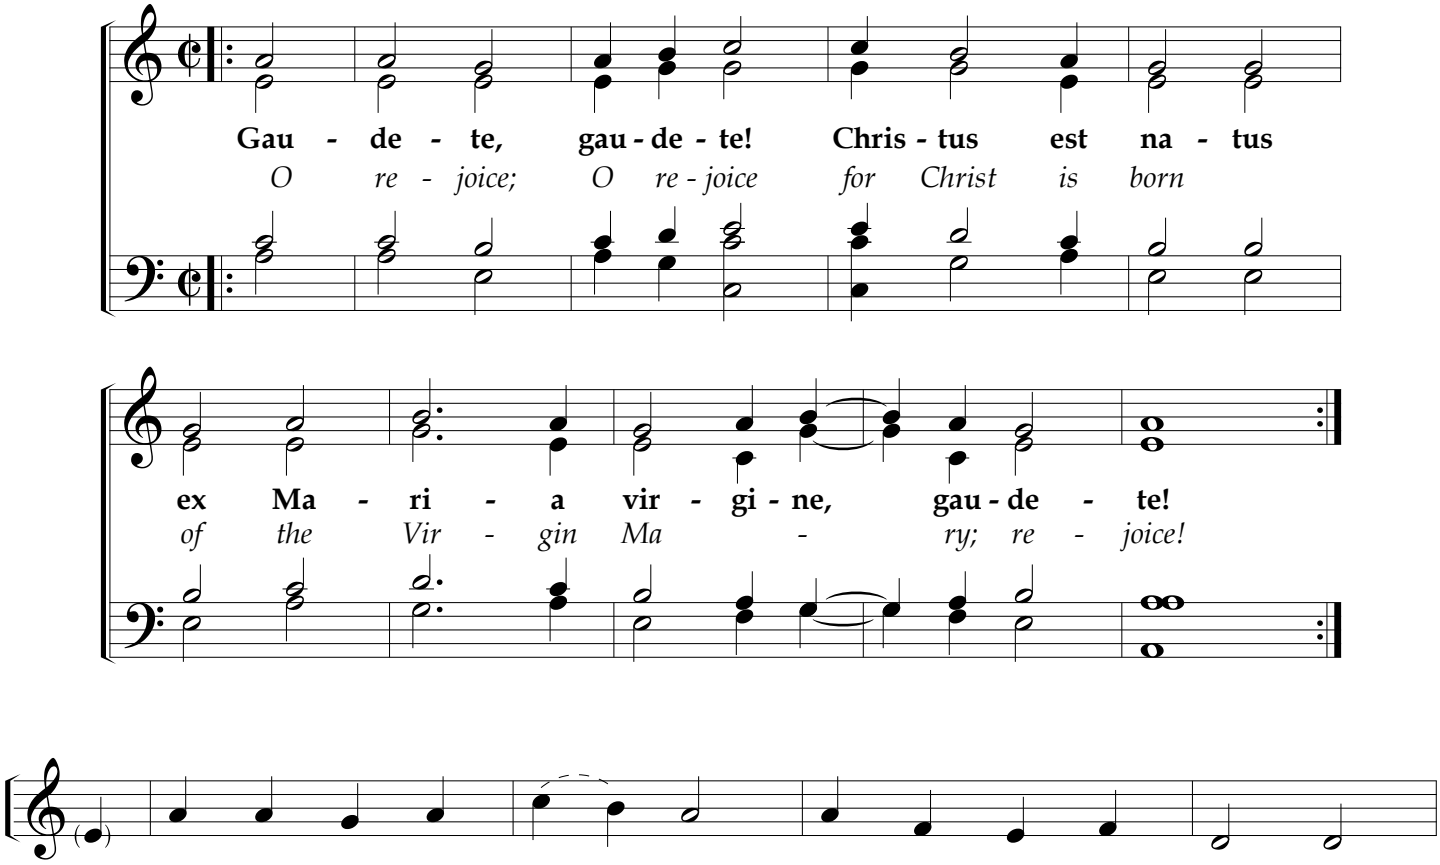
An Adventine & Christmas Carol

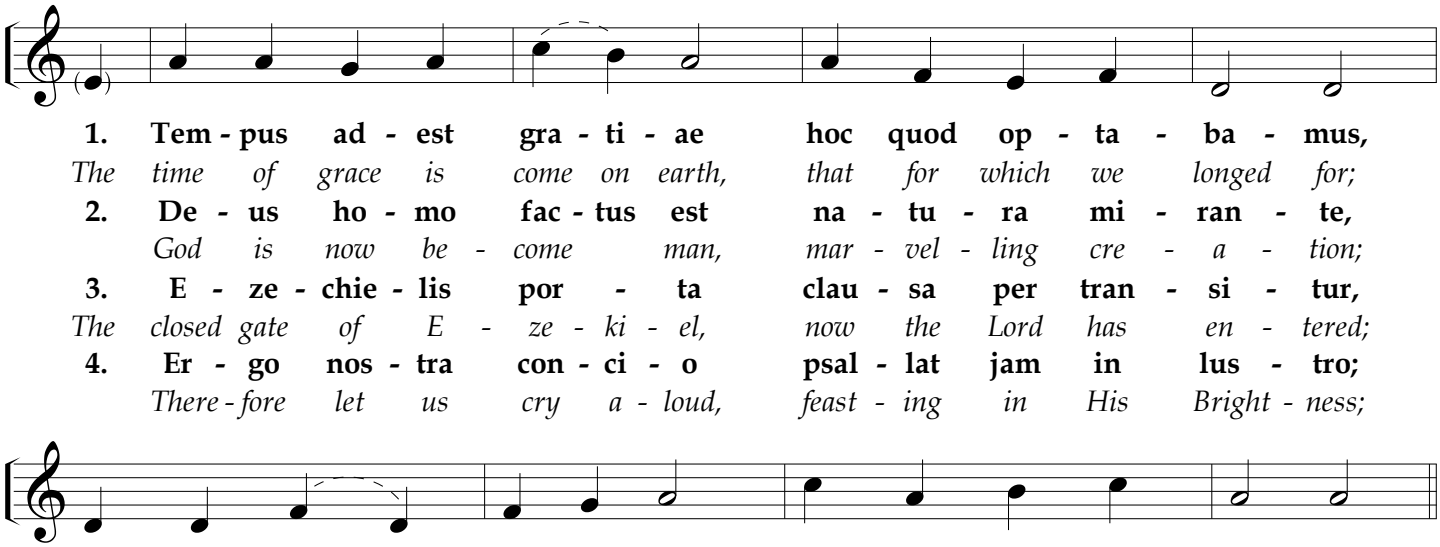
taken from the Introit of the Third Sunday of Advent of the Latin Rite

English translation by J.J. Kotalik (2018)

from the *Piae Cantiones* ('Pious Songs'; 1582)

Traditional Harmonization





The English is not really meant to be sung, though one can, but is rather offered that those who sing might do so with understanding.

Dn. John Joseph Kotalik IV – New World Kliros – jjkotalik@gmail.com
