God is With Us - Kievan Chant

Verses for God is With Us:

Priest (Reader): God is with us; understand, all ye nations, and submit yourselves:
for God is with us!

Choir: God is with us; understand, all ye nations, and submit yourselves:
for God is with us!

The priest or reader then reads the following verses with a loud voice, and the choir sings the refrain.

This can be done in call and response with the choir,

or continuously as the choir slowly and softly sings the refrain.

The verses can also be read antiphonally by two priests/readers, and likewise the refrains sung by two choirs.
